FURTHER EDUCATION

WHAT IS A LEVEL 3 DIPLOMA?

This course is a Football & Education Programme aimed to provide passionate young footballers (ages 16-18) with the opportunity to gain a certified sport qualification alongside the potential to represent Worksop Town FC at U21 or first team level.

WHAT ARE THE BENEFITS OF THIS COURSE?

- Led by excellent UEFA qualified coaches
- Outstanding facilities & excellent transport links
- Full time football & education programme
- Competitive fixture programme
- Coaching development programme with Worksop Town FC community programme
- Excellent career & football progression opportunities

"This course offers talented young footballers the opportunity to study whilst actively participating in an exciting and competitive football development programme"

UCAS points for this qualification are as follows (from May 2017)

Pass	48
Merit	96
Distinction	144
Distinction*	168

WHAT WILL I LEARN?

The education side of this course offers students the opportunity to gain a recognised qualification within the sporting sector.

IN THE CLASSROOM...

Students will follow a carefully planned pathway of modules to provide them with a broad range of knowledge and experience.

Topics covered include the following:

- ➔ **Anatomy & Physiology**
- ➔ **Fitness, Training and Programming for Health Sport & Wellbeing**
- ➔ **Practical Sports Performance**
- ➔ **Fitness testing**
- ➔ **Coaching for Performance**

PERSONAL DEVELOPMENT...

Off the pitch students will be provided with a positive support network by experienced and industry professionals.

Students will be provided with targets and goals to ensure they reach their full potential, through Individual Learning Plans (ILP).

The course will also support the students with their development and learning in the following core areas:

CV writing
UCAS Applications
British Values
Extremism awareness
Mental Health awareness
Drug awareness

FOOTBALL DEVELOPMENT

Alongside the classroom work, you will also take part in a detailed football coaching programme. This will allow for a player to develop both individually and as a team. Through the provision of an excellent footballing curriculum, players may be given the opportunity to represent the club at U21 or first team level.

"Players on this programme may have the exciting opportunity to represent Worksop Town Football Club at U21 or first team level"

THE FACILITIES

The programme takes place at Worksop Town FC. Making use of the fantastic new state of the art artificial pitch, along with a brand new purpose built buildings, students have access to some truly outstanding facilities both on and off the pitch.

PROGRESSION

Upon completion of the Level 3 Extended Diploma students may go on to excel in further studies across a wide range of courses and universities throughout the UK and overseas, including scholarships in the USA.

We work with our students to help them develop their pathway for progression at post-18 level, and will help them to pursue their chosen career/goals.

COACH DEVELOPMENT

For those with ambitions to pursue a career in coaching, we offer a coaching development pathway within our Worksop Town Community Programme.

Students can gain valuable work experience coaching alongside our highly qualified coaches, essential for career progression within sporting sector.

A Career in Football...

Students who show the ability to progress within football will be provided with full support in doing this. Opportunities may arise for players to progress into semi or professional football, or opportunities in overseas scholarships in the USA.
